

Greater Manchester Police @gmpolice

Our officers out and about as part of an operation to disrupt the sale of counterfeit goods in the Strangeways area.

They might come at a cheaper price, but counterfeit goods are unregulated, which means they can be unsafe ⚠️ #WhatIsItReallyWorth?

Meanwhile, 10-miles south there's a millionaire own business that provided material support to TERRORISM & continue to protect said TERRORIST financiers

Why are @gmpolice confiscating t-shirts but ignoring TERRORIST CRIMES?

This Greater Manchester Police officer stalked & spied on me, a Whistleblower, from 2016-19

Greater Manchester Police REFUSE to investigate the terrorists I'm reporting
