Good afternoon Mr Heaford,

I can confirm from our records here that further to the receipt you have included in your email below, that on the 25<sup>th</sup> March 2017 you met with Sir Graham at an advice bureau in Altrincham where you provided Graham with a statement titled "A statement by Anthony C Heaford regarding al Qaeda in Yemen 1997, detailing references to attacking the WTC with hijacked civilian airliners".

Following this meeting Sir Graham then forwarded the correspondence provided to Dominic Grieve MP, the then Chairman of the Intelligence and Security Committee, SIS and the US Embassy.

Yours sincerely,
